TectoFreeze IS2
Freoz

A reliable impulse island for frozen and chilled food

TectoFreeze IS2 Freoz – a reliable plug in freezer for every shopping environment.

Increased impulse sales for a large variety of products

The number of frozen and chilled food products on the market is growing rapidly. TectoFreeze IS2 Freoz is designed for selling them all. It suits any kind of store format and is equally at home in large hypermarkets or space-limited convenience stores. It is an efficient partner for sales promotions campaigns being easy to approach, even from the sides. Products are well lit and displayed close to shoppers. Campaigns and promotions can be planned more efficiently as branding and related materials are convenient to place and change.

Optimising energy efficiency and eco-friendliness

TectoFreeze IS2 Freoz is an energy efficient impulse island with low energy fans and variable speed compressors for improved temperature performance. Its refrigeration unit is easy to install and service. TectoFreeze IS2 Freoz is effortless to move and use. It is also large in volume and makes the job of applying merchandising by store personnel a simple task. Lower operating costs make it a more profitable investment compared to an open freezer or cooler island.

Choose TectoFreeze IS2 Freoz for

- Natural refrigerant R290 is an environmentally friendly solution
- Variable speed compressors for improved performance
- LED lights for improved product visibility
- Raised base ensure better ergonomics
- Remote monitoring readiness
- Reliable island for promotions
